

## EXPERIENCE

---

### SONY PLAYSTATION

**Cinematics Animator**

*March 2019 - Feb 2020*

San Diego, CA

- Worked on a AAA game to produce realistic cinematic animation for video games.
- Worked with motion capture data.
- Used Facial Action Coding System (FACS) to create anatomically correct facial animation.
- Used the program Parrot in helping with face solves.
- Quickly adapted to in-house tools to speed up workflow.

### PRIMAL SCREEN

**3D Character Animator**

*Sept 2017 - Jan 2018*

*June 2018 - Feb 2019*

Atlanta, GA

- Created hand-key animation for characters on the Elf on the Shelf DVDs.
- Learned how to work with Shotgun quickly integrating it into my workflow.
- Received notes from supervisors and resubmitted changes in a timely manner.
- Learned new workflows from others through collaboration.

### A CAT'S TALE

**Creator**

*Dec 2016 - July 2017*

Atlanta, GA

- Successfully completed a short film from concept to completion within a set deadline.
- Responsible for all aspects of 3D film production.
- Managed a team of 43 people from 6 different countries completely online..

### FREELANCE

**3D Character Animator**

*Jan 2016*

- Animated a quadruped rig to showcase the Cody dog rig.

### ADULT SWIM

**2D Character Animator  
Storyboarding**

*Nov 2015*

Atlanta, GA

- Closely collaborated in a team of four under fast deadlines to create a 30 second bumper.
- Quickly made necessary changes based on client's critiques.
